Comptroller's office on 30. 3. 05 for the last 18 months and he was allowed a lien on this office appointment for a period of 6 months. The Comptroller was also informed of this fact. The Comptroller has not yet been able to confirm him up till now as the permanent incumbents in those vacancies, Mr. M. Srinivasa Murti is acting have not been confirmed in their own posts.

19 The Comptroller has however accepted his offer in his letter of the 28th Aug. 1914 that this officiating will not be reverted to the Secretariat. He will, under the circumstances, have to be allowed his lien on his present appointment, and his case need not be taken into consideration when questions of promotion in this office arise.

20. Mr. S. Kappanna has been working in the office of the Secretary to the Education Committee for the last two years and the annual increments are being allowed to him as agreed to at the time of his transfer. His case is unlike that of Mr. K.S Srinivasa Murti as he can have no prospects of confirmation in that office, the Department itself being temporary. The Secretary Education Committee was asked to state if

Mr. S. Kappanna could be reverted. He has replied to the effect that the official may if convenient be allowed to work for another two years or more in that office and recommends that his claims for promotion should be given adequate consideration. It is not convenient to continue acting arrangements in this office for an indefinite length of time as it would not conduce to efficient work and at the same time it would be unfair to deny the official a promotion which he would have earned if he had remained in this office. Under the circumstances I beg to suggest that he may be ordered to be reverted to this office and be given an opportunity to earn his promotion here.

As stated by the Secy Education Committee of the E.C, Mr Kappanna is doing good work in his present place & it would be a pity to disturb him at present. The experience he is getting there will be useful to him in Secrt work when gets back here eventually. I think he may be allowed to remain there for another two years or until he has a chance in the Secrt. of being put into the 1st grade & put to case work. When such a chance occurs he may perhaps be asked to be sent back. File Mem efficient work in the Edn Committee's office may be regarded as equivalent to efficient work in the Secrt & his claims for promotion may ~~be kept~~ not be lost sight of.
